

Academic and Cognitive Testing

Are you concerned about your child's academic progress but uncertain about how to help? Do you feel your child is being left behind? Has your child's school recommended having him or her "tested"?

Get the information you need to advocate for your child!

The Whole Kid, a full-service private tutoring company, offers comprehensive academic and cognitive assessments.

Our school psychologist, Sharon Prindle, uses state-approved standardized assessments to conduct comprehensive individual assessments of:

- basic reading skills, reading comprehension, and reading fluency
- written expression
- math calculation and math reasoning
- spelling
- giftedness
- ADHD
- learning disabilities
- social/emotional issues

The Whole Kid's assessments provide:

- a comprehensive report that will identify strengths and weaknesses;
- recommendations for appropriate classroom and individual accommodations, modifications and interventions for your child;
- a second opinion when you and your child's school do not agree on the outcomes of the school's/district's evaluation.
