

Study Skills Workshops

Fall study skills workshop!

Workshop offers instruction and practice in:

- Getting the most out of lecture/class notes;
- Getting the most out of assigned readings;
- Getting and staying organized;
- Time management for school success.

Who: Small groups of 8th and 9th graders

Dates: Sundays November 9, 16, and 23 with a follow-up session December 14

Time: 3:45-4:45 p.m.

Cost: \$200 per student
Bring a friend and get 2 for the price of 1!

"Your study skills have been a proven success! Our son was quite nervous about the transition to high school, but the tools The Whole Kid provided gave him the confidence to go forward in a strong way! I'm sure we'll have some new challenges as the year progresses, and we won't hesitate to call."

Winter workshop will start in February.

Call or e-mail today to sign up for a workshop—or work with our staff to create one to meet your needs.
